STUDENT / TEACHER / HOME COMMUNICATION

Communication Guideline: The outline below sets the process for addressing a student's academic or athletic concerns and will govern communications between staff and others in the MVHS community. If any step in the line of communication is not followed, the issue in question will be immediately referred back to the first skipped level.

Line of communication - Academic
1. Student speaks with teacher
2. Student and parent communicate with teacher
3. Student and parent communicate with Counselor and Teacher
4. Student and parent communicate with Counselor, Associate Principal and teacher.
5. Student and parent communicate with Counselor, Associate Principal, Principal and Teacher
6. Student and parent communicate with District Administration and site personnel as needed.

Line of communication - Athletics
1. Student/athlete speaks with coach
2. Student/athlete and parent communicate with coach
3. Student/athlete and parent communicate with coach and Athletic Director
4. Student/athlete and parent communicate with coach, Athletic Director, and Principal
5. Student/athlete and parent communicate district office and site personnel as needed.

SCHEDULING CLASSES
Students are given scheduling information in the spring. Changes in schedules will be possible only as the master schedule permits.

ADD / DROP POLICY
Dropping a course is a very serious matter and requires the signatures of the teacher, counselor, student, and parent.
Within the first 3 weeks of the semester, classes may be dropped without the class or grade appearing on the transcript. If a student wants to drop a course after the 3rd week, the student should contact his/her counselor to discuss possible options pertaining to the drop. School Board Policy states "beyond the third week of a
semester, the teacher may give an "N" grade indicating "not enrolled" or an "F" grade depending on the quality of the student's work to date and provided that proper notice concerning the possibility of failure has been given to the parents." Parents may request a teacher-conference to discuss the implication of the "F" grade.

Advanced Placement and Honors Courses: Advanced Placement or Honors level courses are year-long. Dropping these courses and entering a regular college prep class may not be possible, due to space availability. If a student does switch to a regular class, the grade will be carried over to the new class.

PROGRESS REPORTS/GRADING POLICY

All grades are accessed through the parent portal. Progress reports are available in the middle of the 6th week of each quarter. These reports may indicate a student's progress to date in each class or in only some classes. The primary purpose of the progress reports is to notify students and parents of unsatisfactory progress.

Grades are issued four times a year and are available within two weeks of the end of each quarter/semester. Be aware that only the semester grades are permanent and become part of the student's transcript. The 1st and 3rd quarter grades are considered progress report grades and the 2nd and 4th quarter grades are the semester grades and part of the permanent record.

Student participation and attendance may be included in the teacher's grading criteria. Students shall comply with the class requirements for the completion of assignments and for reporting to class with required materials. AR5121 (b)

VARIABLE CREDIT AND PASS/FAIL

All courses for which a variable number of credits can be earned based on the achievement of certain learning objectives must be approved by the principal as variable credit courses. The learning objectives and the credits earned upon completion must be clearly established in the course outline, a copy of which shall be kept in the office of the principal. A course may be designated as a pass/fail course. The principal shall approve all such designations and a copy of such approval shall be kept in the office of the principal. AR 5121 (b)

NOTIFICATION OF GRADES

Parents of students who are to receive an "F" grade will receive proper written notification by the teacher. Teachers who desire to give an "F" grade for a drop must mail the parents a written notification at the time of the drop. Notification will include:

- The teacher's intent to give the student an "F."
- That such grade will be included in the computation of the grade point average.
- The parent's right to request a conference with the teacher to discuss the implications of the "F". AR5121(c)

PASS/FAIL

Pass/Fail grades are given for Sports Team Participation (PE Athletics). Pass/Fail grades are not acceptable for college admissions requirements and are not offered in academic classes. The only exception to this is when a teacher's class policy allows a pass/fail option, is established at the start of the course and approved by the principal. This must be established by a contract at the start of the course. A PASS is not computed into a student's GPA. A PASS in an academic class signifies mastery of course material. An "F" or Fail grade is computed into a student's GPA.

ACADEMIC HONOR CODE

Monte Vista High School regards the academic conduct of our students to be a critical part of their education. Academic INTEGRITY requires students to properly demonstrate their talents through the utilization of suitable formats, proper citation methods, and HONESTY for themselves, their fellow students, and their instructors. We believe it is critical to master this behavior during high school in order to successfully navigate the educational systems and/or work environments our students will encounter once they leave Monte Vista High School.
“Cheating denies the value of education, damages the ethical character of the individual student, and undermines the integrity of our school community. The Monte Vista Academic Code affirms that we value learning for its own sake and that we therefore demand personal integrity and intellectual honesty in all academic work. Cheating is dishonest. It harms you and it harms the other students who do not cheat. We, therefore, will not condone nor will we tolerate any student submitting work that is not produced solely by the student’s own initiative.

Cheating includes, but is not limited to the following:

1. Plagiarizing* or turning in any work as your own that is the work of another person or outside source.
2. Copying another student's work or class assignments OR allowing another student to copy your work or class assignments.
3. Putting your name on someone else's paper/project, unless it is a group project/paper.
4. Copying another student's answers on a quiz/test.
5. Giving another student help on a quiz/test, including telling a student what is on an upcoming quiz/test.
6. Creating, possessing or using a "cheat sheet" on a quiz/test.
7. Fabrication - making up references, statistics, or facts.
8. Tampering with a teacher’s grade records.
9. Stealing and/or selling quizzes/exams or in possession of an exam or quiz (e.g. picture of an exam on a cell phone or other camera).
10. Unauthorized possession or use of teacher manuals/solution manuals.
11. Using an unauthorized electronic device during quizzes/exams or having the electronic device out at the time of assessment.
12. Talking/communicating during a quiz/test (No communicating, person to person or electronically, is permitted until ALL quizzes/exams are turned in).
13. Accessing an outside source (e.g., internet) without permission from the teacher.
14. Soliciting or having another individual take a course or exam.

*Plagiarism is defined as presenting materials or work prepared by another person/persons as the student's own work without crediting the source. This includes, but is not limited to failing to expressly acknowledge the research, writing, or work by someone other than the student, claiming authorship as his/her own; presenting as his/her own, or as new and original, an idea or product derived from an existing source.
PROCEDURES & CONSEQUENCES FOR VIOLATING MONTE VISTA’S ACADEMIC CODE

- Student will receive a zero for the assignment pertaining to the violation.
- Subject area teacher will contact parents AND report violation to administration to be recorded in the student’s disciplinary file.
- Repeat offenders will be subject to suspension from class and/or further disciplinary action.
- A student who solicits another individual to take an exam or course will receive no credit for that exam or course.

HOMEWORK POLICY (BP 6154)

The Grade Level Guidelines of this policy are based on the needs of the average student. The amount of homework assigned to students should be different in elementary, middle, and high school. The amount of time a student spends on assigned homework depends on factors such as the student’s needs, learning ability, subject, school schedule, testing schedule and assigned homework due dates. Time spent on homework should be balanced with the importance of personal and family well-being, and the wide array of family obligations experienced in our society today.

Parents and teachers should make students aware that learning occurs at home, school, and in the world around them.

Homework should be the result of collaborative efforts, thoughtfully considered, and coordinated to improve student learning.

Homework should be purposeful and meaningful to students. Legitimate purposes for homework include practicing a skill or process that students can do independently but not fluently, elaborating on information that has been addressed in class to deepen students’ knowledge, and providing opportunities for students to explore topics of their own interest.

Reading is an integral part of learning and is a consistent part of homework.

Homework will reflect the accommodations and modifications of curriculum that is stated in a student's IEP or 504 plan.

Assigning homework over holidays is highly discouraged.

Homework is defined as any work assigned to be completed outside of class.

High School

1. As a guideline, total homework assignments should have an estimated completion time of 3 hours or less of on task work per night, including reading. Long term projects should be included in this time frame.
2. Some elective classes such as, but not limited to drama, speech and debate, music, and athletics, will require additional time.

3. Though communication within a high school setting is challenging due to larger numbers of students, staff, and course offerings, staff should make efforts whenever possible to be aware of homework, projects, and testing schedules across the curriculum.

4. Long term assignments should have clear check points.

5. If weekend homework is deemed necessary, the amount should not exceed a regular day's assignment. Students may choose to use weekends for review, voluntary work, projects, or completion of make-up assignments.

6. AP, Honors, and Advanced courses are higher level classes and will require more extensive homework.

7. The homework needs of Del Amigo and Venture will be site based due to the unique nature of their respective programs.

**Students are responsible for:**

- Ensuring understanding of the homework and asking for clarification or help when needed.
- Regularly completing assigned homework in a timely manner.
- Managing time by staying focused, on task, and planning effectively for long term projects.
- Bringing home all necessary materials.
- Putting forth their best effort to produce quality work.
- Completing or making up assignments and tests when suspended from school if required by the teacher. (Ed Code 48913) (cf.5144.1 –Suspension and Expulsion/Due Process)

**Parents/Guardians are responsible for:**

- Being an advocate for their child, while encouraging the child to advocate for himself/herself.
- Encouraging reading at all grade levels.
- Providing an appropriate environment for homework to be done.
- Providing a healthy balance between homework, extra and co-curricular activities, and family commitments.
- Contacting the teacher if their child is not consistently able to do the homework by himself/herself within the time guidelines, or if challenges or questions arise.
Teachers are responsible for:

- Sharing expectations for homework with students and parents early in the school year.
- Encouraging a partnership between family and students that promotes timely communication and supports families in the homework process.
- Designing homework assignments that clearly articulate their purpose and expected outcome, allowing for student questions and planning.
- Providing timely feedback to students.
- Ensuring any homework assigned is directly related to the classroom instruction and consists of clear, purposeful, and engaging activities.
- Assigning homework that is appropriate and differentiated as needed.
- Teaching the skills necessary for students to complete the homework and become successful independent learners.
- Articulating and planning with all curricular areas.
- Providing makeup work for suspended students.

**GRADUATION REQUIREMENTS**

**WEIGHTED GRADES**

Honors and advanced placement (AP) courses in academic areas are weighted according to district policy. Only honors and advanced placement courses are weighted for college entrance purposes. (See your counselor with respect to classes taken outside of the district.)

COUNSELING SERVICES

Monte Vista High School provides a variety of counseling services including assistance in educational planning, monitoring of academic progress, intervention support to achieve school success, college entrance and career planning, interpretation of standardized testing and personal guidance and or crisis intervention. In addition to individual meetings with students, the counseling department offers a comprehensive program with a special focus on each grade level. Classroom visits with freshmen review graduation requirements and four-year plans; meetings with sophomores discuss official transcripts and post high school options; and guidance for juniors and seniors includes a continued discussion of college and career plans and the college admissions process. Evening meetings are held annually for parents of each grade level to further delineate information presented to students.

Each student is assigned to a counselor based on alphabetical groupings according to the student's last name. Students may request an appointment with their counselor by signing up in the counseling office.
Monte Vista High School’s Administration and Faculty emphasize the importance of daily student attendance. Any pupil...who is absent from school without valid excuse three full days in one school year or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year...is a truant and shall be reported to the attendance supervisor... Ed Code 48260

Prolonged or frequent absences have a negative effect on students’ academic progress as well as their connection to our school’s many programs and activities. Students who have excessive absences, excused or unexcused, will be processed through the Student Attendance Review Board (SARB) procedure. Students processed through SARB may receive a fine of up to $500.00, directed to perform up to 400 hours of community service, lose their driver’s license, and/or may be removed from MVHS and placed into an alternative high school.

| **Arriving Late** | **Arriving late**: Students arriving late must have a parent call the attendance line prior to the student arriving at school giving the same information as above as well as the approximate time of arrival. Students must always sign in at the front office upon arrival before going to class. For partial day absences: Students whose late arrival results in missing one or more entire periods must have a parent call attendance line to clear the absence within 48 hours or it will be changed to an illegal absence (cut) and disciplinary action will be taken. |
| **Leaving Early** | **Leaving early**: Parents must call the attendance line before 9:00 a.m. We do not call into the classroom to have students released.  
1- Parent calls the attendance line with the same information as above as well as the time the student will be leaving.  
2- Student comes to the front office before school or during brunch/lunch to get an OFF CAMPUS PASS.  
3- Student shows pass to teacher at designated time to leave classroom.  
4- Student signs out in the front office. If a student leaves campus without signing out in the front office, it is considered a cut and disciplinary action will be taken. Parents cannot clear these absences after the fact. **NO EXCEPTIONS.** |
| **Excused Tardy** | **Tardies:** Only tardies due to excused absence reasons (see above) will be excused. Medical notes are required for all medical appointments upon checking in. | **Important Note!!** Students must ALWAYS sign in and out in the front office for partial day absences, even if a parent has called in. This is our only way of knowing when the student actually arrives and/or leaves campus. Students who leave school and do not sign out and/or arrive to school and do not sign in will be given cuts for the periods that they miss and will be subject to disciplinary action. Parents cannot clear these cuts. |

 • Overslept  
 • Car Trouble, etc. |
| Unexcused Absence Consequence | A computer-generated email will alert parents of an absence. Students may receive disciplinary action due to cutting classes, including work detail, detention, Saturday school, or suspension. Students who have more than 3 cuts in a semester in a class may be dropped from the class with loss of credit. Students with excessive absences and illnesses may be sent to the SRVUSD SARB team and receive further consequences. |
| Irregular Pattern of Attendance | Per District policy students may accumulate ten (10) scattered excused absences from a class during the entire school year. If a pattern arises where a student repetitively misses class (excused) on a scheduled test day or when a major assignment or project is due, a referral to administration will be made on the third occurrence. |
| Lunch | MVHS is a closed campus and students may not leave campus for lunch. **Parents may not call in to excuse their student for lunch**; therefore, all students must remain on campus until the end of their school day. Students leaving campus without permission will be subject to school discipline. Parents dropping lunch off for students must do so in the attendance office. Students will not be called to the office; it is up to the student to come claim his or her lunch. **Please note:** Lunches are left at your own risk. We are not responsible for lunches that go missing. We provide this service as a convenience for parents and students, but we do not have the manpower to monitor it. |
Forgotten or Dropped Off Items

Items may be left on the Dropped Off/Forgotten Item Counter in front of the attendance office. We do not call students out of class for items. We suggest that parents text students to let them know something was dropped off. **Students can check their phones during brunch, lunch or between classes to come retrieve items. Please note:** Items are left at your own risk. We are not responsible for items that go missing. We provide this service as a convenience for parents and students, but we do not monitor it.

**EXPECTED BEHAVIOR AND DISCIPLINE POLICIES**

The San Ramon Valley Unified School District strives to maintain an atmosphere in school and at school activities that enhances the potential for success of every member of the school community. The district’s commitment to learning includes the concept that, in order to learn, students must be guaranteed an environment that is safe, classrooms where mutual respect is the underlying principle, and rules that are publicized, explained and enforced. The schools’ rules derive from the goals of respect for self, for property, and for others. In enforcing the rules of the schools, the district, and the state, the staff believes that students must understand that their actions do have consequences. As students become responsible for their own behavior, they develop the self-discipline needed for good citizenship.

Students are reminded that they are under the supervision and authority of any faculty member (including classified staff i.e. aides, custodians, secretaries, etc.) during school hours and outside school hours while they are attending or participating in a school-sponsored activity on or off school grounds. This authority also extends to substitute teachers and any sponsor representing the school in an official capacity. Students will be respectful and attentive to all faculty and staff. Failure to accord proper respect to anyone responsible for supervision in an official school capacity will result in disciplinary action appropriate for the behavior in question.

To ensure the success of students in a school environment, teachers, counselors, parents and administrators, must work in a cooperative manner. School staffs will be responsible for modeling and teaching students the behavioral standards desired in the classroom and in the school. Parent support is essential to school staffs’ efforts to assure that students respect and follow the rules and regulations of the schools. Students must be responsible for appropriate behavior, regular school attendance, and continued striving for excellence.
STUDENT RIGHTS

- Receive appropriate educational programs.
- Be informed about school and district rules and regulations pertaining to students.
- Attend school and classes unless removed under due process as specified in the Education Code and district procedures.

- Receive fair and reasonable treatment from those who are responsible for enforcing standards of student conduct.
- Examine with assistance of a certificated staff member personal records upon reaching the age of 16.
- Be free from harassment, threats, or intimidation (includes but not limited to ethnic, racial, religious, sexual, sexual orientation), which are pervasive and create intimidating, hostile, or offensive learning atmosphere.

STUDENT RESPONSIBILITIES

- Be on time to each class; be prepared to work; bring required materials and assignments to class.
- Explain any illegal absences from class or school activity to his/her parents.
- Know and obey school rules and follow directions and requests of school personnel.
- Be courteous and respectful to the school staff, other students, and the public in general.
- Behave in such a way that it does not disrupt the learning of others.
- Respect public and personal property.
- Report to a school official behavior from another person that is not welcome, that is personally offensive, that lowers morale, and that therefore, interferes with academic effectiveness.

- Lost student ID cards must be replaced. Go to the attendance office to get a replacement ID card.

BEHAVIOR AT SCHOOL AND SCHOOL ACTIVITIES

Extra-curricular activities are for student enjoyment. Rules that apply during school hours will apply at all school activities. Behavior that is disruptive or offensive will not be tolerated. Good sportsmanship is expected at all school rallies and sporting events whether or not it is at "home" or "away." Appropriate disciplinary action will be a consequence of unruliness (Refer to the SRVUSD Discipline Code and Behavior Guidelines).
Students found to be under the influence or in the possession of alcohol or drugs at school activities will be suspended from school and reported to the police. (Breathalyzers may be used at the discretion of the administration.)

Possession or use of tobacco is prohibited on campus and in areas adjacent to the campus. Smoking, vaping, or chewing at school activities (this includes but is not limited to Jr. Prom, Senior Ball, Senior Picnic), in cars, or in the vicinity of the school is not allowed. Smoking, vaping, and chewing will be dealt with according to the school/district's discipline codes and existing laws.

Students may not ride bicycles, skateboards, or roller skates/blades on campus. Bicycles may be stored in the racks near the Science and 400 building.

Gambling is not allowed on campus.

Laser pointers are not permitted at school.

Harassment of any form including gender, racial, religious, etc. is prohibited. Appropriate disciplinary action will be taken including expulsion from school.

All vehicles parked on school property are subject to search if there is reasonable suspicion of the existence of any controlled substance, alcoholic beverage, or intoxicant, firearm, knife, explosive or other dangerous object.

Note: Ed. Code 48915c requires the expulsion of a student who is found in possession of a firearm at school or at any school activity off of school grounds. California Penal Code includes BB guns, starter guns, shotgun shells, and look-a-like guns as firearms. Also, knives are deemed illegal. Unlawful selling of any amount of a controlled substance is grounds for expulsion.

Students that fail to adhere to all behavior expectations as outlined in Monte Vista High School's Student Behavior Policy and the SRVUSD Discipline Code risk the loss of their end-of-year privileges including but not limited to Junior Prom, Senior Ball, Senior Picnic, Inspirational ceremony, and the graduation/commencement ceremony.

Parents, teachers, staff and other students will identify any student who behaves in a manner that defies the Discipline Code & Behavior Guidelines of the district, will inform the school administration of the disruption. District policy will be followed.

CLOSED CAMPUS
Monte Vista is a closed campus. Students may not leave campus during the school day unless their parental/guardian has phone in permission and they have signed out at the attendance office prior to leaving as well as signing in when returning. Students who do not follow this procedure will receive a cut for all periods or partial periods missed.

Oak Hill Park, the student parking lot and all adjacent areas to the school (including the creek and fire trail) are off limits during the school day. Students found in those areas without valid permits during the school day will receive disciplinary action. Parents are discouraged from calling their students out of school during lunchtime except for valid legal absence. Medical verification may be required to clear excessive absences.

SCHOOL DANCES
Dances are open to Monte Vista students only unless guest pass arrangements have been made. Guest passes are available from the counseling office. Passes must be arranged and turned in at least 24 hours prior to the event and are only available for Junior Prom and Senior Ball.

• All bags will be checked at the door and stored until the end of the dance.
• Students must have a student ID to purchase a ticket for the dance and all students must produce photo identification to be admitted to the dance.
• Any damage occurring to the sound equipment will result in the dance being stopped.
• Students may be subjected to testing (such as a breathalyzer) if suspected of using/being under the influence of alcohol or any other illegal substance.
• Dancing must be appropriate for a school function (no demeaning or sexually explicit dancing i.e. no "freaking") "Freaking" or rowdiness at the dance will result in the students having to leave the dance early.
• Doors will be closed one hour after the dance begins. Students may leave one hour before the end of the event.
Once a person leaves the dance, he/she may not return.

Any student who refuses to obey the above rules and policies will be removed from the event must leave the school or event premises immediately.

**Dress Code Policy**

The dress code specifies standards that promote a positive and safe learning environment. All students and faculty are expected to be suitably groomed and to wear clothing that is neat, clean, and appropriate for school and for school events. If at any time a student’s dress or grooming is considered disruptive or inappropriate to the education program, teachers and/or administration may send students to the office to change into school appropriate attire or be sent home with parent permission in order to change. Repeated violations will result in disciplinary action.

The Monte Vista Administration reserves the right to make changes to this policy in response to trends that are not specifically addressed below.

The following rules apply to all genders:

- All clothing shall be in good taste, in a good state of repair, and be sufficient to conceal undergarments at all times.
- Clothing that fails to provide adequate coverage of the body is not permitted including but not limited to:
  - Bathing suits
  - Low cut tops
  - Sagging pants
- Shorts and skirts must provide sufficient coverage and must at least reach to the thumb knuckle.
- Shoes must be worn at all times. *AR 5131(c).* Flip flops, sandals, or other open-toed footwear are allowed, but some courses, such as lab science and PE, require close-toed shoes.
- Clothing (including socks and shoes), jewelry, and personal items (backpacks, fanny packs, gym bags, water bottles, etc.) shall be free of writing, pictures, or any other insignia which are crude, vulgar, profane, or sexually suggestive, which contain drug, alcohol, firearm, or tobacco company advertising, promotions or likenesses, or which advocate racial, ethnic, or religious prejudice. *AR 5131 (a, b)*
- Gang affiliated attire and/or accessories are prohibited including, but not limited to clothing or personal items depicting gang-affiliated colors or images, bandanas, hair nets, grill teeth, jewelry emblems, badges, symbols, signs or other monikers that are viewed as evidence of membership in or affiliation with any gang. *AR 5131 (d)*
Any clothing, apparel, or attire which could be used as a weapon, or could be damaging to school property, including, but not limited to, steel-toed boots, chains, items with spikes or studs, etc. is prohibited.

Lab science, career tech, or similar classes may require additional dress code policies in regards to student safety, professional attire, etc.

Hats are allowed on campus; however, individual teachers may establish classroom policies regarding the wearing of hats in their classrooms.

Procedure for Dress Code Violations

Step #1: Student will be asked discreetly to correct the dress code problem.

Step #2: Student will be discreetly handed a “Fix-It” ticket from the teacher, administrator, campus monitor, etc.

Step #3: Student will report to the office with the “Fix-It” ticket during class time with teacher permission or during the next passing or break period to correct the problem.

Step #4: Students are not to miss important instructional time to correct dress code unless the violation entails a major safety issue. If necessary, students will be issued alternative clothing until compliant clothing arrives.

Step #5: Office Personal or Admin will stamp the “Fix-It” ticket once the dress code violation is addressed. A copy of the “Fix-It” ticket will be kept on file by the AP responsible for student’s alpha.

Step #6: Student will return the stamped “Fix-It” ticket to the issuing teacher, administrator, etc. by the next school day.

Students who do not return a stamped “Fix-It” ticket or students who repeatedly disregard the student dress code will receive:

1) Incident logged into Infinite Campus  3) Monday School
2) Detention  4) Saturday School

Electronic Devices

SRVUSD/Monte Vista policy adopted in January 2003 states:

1. Possession of a cellular telephone by a student is a privilege, which may be forfeited by any student who fails to abide by the pertinent district/school rules.

2. The district/school shall not be responsible for the loss or damage of a cell phone brought onto campus.

3. Cell phones, iPods, MP3 Players or other non-approved electronic devices are not to be used or be visible in classrooms or during school activities unless it is being used with teacher permission and is in use as part of a planned lesson. If
students do not comply with these guidelines, the device will be confiscated and
returned to the student after 3:10 pm.

Repeat violations will result in the device being held for a week and parent pick-up
and/or further disciplinary consequences which could include confiscation for the
remainder of the school year.

At Monte Vista, we employ the following consequences when dealing with electronic
device violations:
